

The Eurosport Savio AC Design a Medal Competition

Deriving its name from its founding school, Savio College, Savio AC is an athletics club which participates in national athletics championships, mainly track and field, cross country and road running. It aims to provide its members with the opportunity to enjoy themselves in a competitive atmosphere while fostering a friendly and familiar spirit – a holistic experience inspired by the Salesian ethos, based on the three pillars of Community, Formation, Joy & Fulfilment.

Taking place two weeks before the Malta's Full and Half Marathon, the club's main event comprises of a 10 Km challenging race and a 2 Km fun run for kids. Now heading towards its 5th edition in 2018, Savio AC is seeking to create a commemorative medal to mark this special milestone.
